COFFEE - JUICES - FOOD

NO CASH PLEASE - CARD PAYMENT ONLY

Aloha,

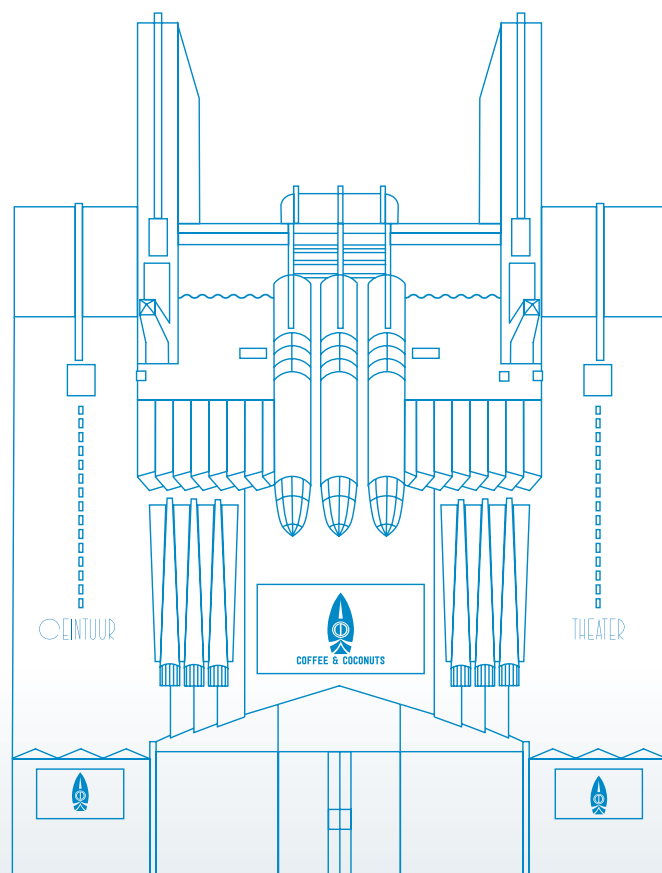

Welcome to your ultimate getaway from reality, a peaceful island where freedom is the password, where time does not exist, and where all you have to do is be yourself.

Originally born in the buzz of Amsterdam's De Pijp, Coffee & Coconuts has now created our newest oasis in the beating heart of the city's business world, Zuidas. We are an all-day cafe and coffee roastery where the sunsets are endless, and where no matter the season, it's always a summertime state of mind. It's a place where you can feel free, be spontaneous, and do what feels good.

As you step inside we want you to feel at home, just like we do. Not just as a team but as a family, we roast your coffee in-house, fresh-squeeze your O.J. each morning, brew your coffee the way you like it, lovingly cook your food and thoughtfully bake your pastries.

Please inform our staff about any allergy requests you may have.

Coffee & Coconuts is your tropical home away from home, where there is nothing left for you to do except sit back, relax, and be free.
